The financial statements of Roadrunner Indemnity Company are presented on the basis of accounting practices prescribed by the Texas Department of Insurance.

The Texas Department of Insurance recognizes only statutory accounting practices prescribed or permitted by the State of Texas for determining and reporting the financial condition and results or operations of an insurance company, for determining solvency under the Texas Insurance Law. The current effective version of the National Association of Insurance Commissioners' (NAIC) Accounting Practices and Procedures Manual has been adopted as a component of SAP. The Commissioner of Insurance has the right to permit specific practices that deviate from prescribed practices.

#### B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

#### C. Accounting Policy

Premiums are earned over the terms of the related insurance policies and reinsurance contracts. Unearned premium reserves are established to cover the unexpired portion of premiums written. Such reserves are computed by pro-rata methods for direct business.

Expenses incurred in connection with acquiring new insurance business, including such acquisition costs as sales commissions, are charged to operations as incurred. Expenses incurred are reduced for ceding allowances received or receivable.

In addition, the Company uses the following accounting policies:

- (1) Basis for Short-Term Investments: Short-term investments are carried at cost.
- (2) Basis for Bonds and Amortization Schedule: Bonds not backed by other loans are stated at amortized cost using the scientific method.
- (3) Basis for Common Stocks: Common stocks are carried at market value.
- (4) Basis for Preferred Stocks: The Company does not have any preferred stocks at this time.
- (5) Basis for Mortgage Loans: The Company does not have any mortgage loans at this time.
- (6) Basis for Loan-Backed Securities and Adjustment methodology: Loan-backed securities are stated at amortized cost. The retrospective adjustment method is used to value all securities except for interest only securities which are valued using the prospective method.
- (7) Accounting Policies for Investments in Subsidiaries, Controlled and Affiliated Entities: The Company has no investments in subsidiaries, controlled and affiliated companies.
- (8) Accounting Policies for Investments in Joint Ventures, Partnerships and Limited Liability Entities: The Company has no investment in joint ventures, partnerships or limited liability companies.
- (9) Accounting Policies for Derivatives: The Company has no derivatives.
- (10) Anticipated Investment Income Used in Premium Deficiency Calculation: The Company anticipates investment income as a factor in the premium deficiency calculation, in accordance with SSAP No. 53, Property Casualty Contracts Premiums.
- (11) Management's Policies and Methodologies for Estimating Liabilities for Losses and Loss/Claim Adjustment Expenses:

Unpaid losses and loss adjustment expenses include an amount determined from individual case estimates and loss reports and an amount, based on past experience for losses incurred but not reported. Such liabilities are necessarily based on assumptions and estimates and while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liability are continually reviewed and any adjustments are refelected in the period determined.

- (12) Changes in the Capitalization Policy and Predefined Thresholds from Prior Periods: The Company has not modified its capitalization policy from the prior period.
- (13) Method Used to Estimate Pharmaceutical Rebate Receivables: The Company does not have any pharmaceutical rebate receivables.

- (4) All impaired securities (fair value is less than cost or amortized cost) for which an other-than-temporary impairment has not been recognized in earnings as a realized loss (including securities with a recognized other-than-temporary impairment for non-interest related declines when a non-recognized interest related impairment remains):
  - a) The aggregate amount of unrealized losses:
    - 1. Less than 12 Months
    - 2. 12 Months or Longer
  - b)The aggregate related fair value of securities with unrealized losses:

    - 2. 12 Months or Longer
- (5) Information Investor Considered in Reaching Conclusion that Impairments are Not Other-Than-Temporary

Bonds in an unrealized loss position are regularly reviewed for other-than-temporary declines in value. Factors considered in determining whether a decline is other-than-temporary include the length of time a bond has been in an unrealized loss position and the reasons for the decline in value. Assessments include judgments about an obligator's or guarantor's value for any collateral backing the obligations and the macro-economic and micro-economic outlooks for specific underlying collateral such as prepayment rates, default and recovery rates, existence of subordinated classes capable of absorbing losses and third party servicing abilities.
